OUR 2nd ANNUAL EPIPHYLLUM SHOW AT SEA WORLD May 26-27 in their
Greenhouse was enjoyed with enthusiasm by crowds on the Holiday week-end.
Frank Granatowski was our capable chairman, and Chuck Kline hosted our
group, serving sweet rolls and coffee. The following members displayed
beautiful flowers on their tables, and sold cuttings, a percentage of
which was for our Society: Frank Granatowski, Gene Lund, Fern and Dave
La Borde, Dorothy and Nate Ogdon, Fern and Fred Shamblen, John Piland,
Sam Markey, Addie Szobar, Beverly Garber, George and Madeline French.
Cuttings were purchased by people from here, as well as such faraway
places as Singapore, Holland, England and Hawaii. A beautiful
Grand Empress plant was displayed by George French. Many pictures were
taken by Fred Shamblen, which he will show at a future Society program.
The Greenhouse at Sea World is an ideal setting for an Epiphyllum Show.
A delightful 2 days for all who participated.

---Madeline French
